DETAILED ACTION

Claim Rejections - 35 USC § 102/103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-3 are rejected under 35 U.S.C. 102(b) as being anticipated by or, in the alternative under 35 USC 103 (a) as obvious over WO 03/088344 Honeywell International, Inc., (hereinafter "Honeywell").

The rejection of claims 1-3 over Honeywell reference is reinstated. The claims are rejected as per reasons set forth in the Office Action dated 6-20-2005 and subsequent office action.

The feature that was the sole reason for removing the rejection of claims 1-3 over Honeywell reference and previously claimed in the base claim is now deleted from the base claim 1. Thus, the rejection over Honeywell applies to the currently presented claims for the reasons of record.

Response to Arguments

Contrary to the applicants remarks, the claims 1-3 as presented in response dated 3-1-2006 and as currently pending are NOT allowable over the prior art of record.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
